

Connect St Albans Community Edition

May 2010

**Connect St Albans, bringing local businesses
and community groups together**

What's in it for you?

- Free professional advice, skills and resources for your organisation
- Positive relationships with local businesses
- Teams of employees to help with bigger projects

We have lots of businesses waiting to engage with local groups but we need you to keep sending us your requests for help, for example this month Herts PASS tells us that they are looking for affordable office space of around 1400ft² in the St Albans District to prevent them having to relocate to Stevenage. Do you have a similar request? Or are you looking for a skilled person to support you or a piece of equipment? All ideas are welcome.

Could your charity or community group benefit from professional help regarding sales, marketing or business development? Mike Hall from Hall Business Development is offering to help. Ring him now on 01727 860953 and let him know you heard through *Connect!*

Please distribute this widely and consider displaying it on your notice board.

Do we have the right contact person? Let us know if there is anyone else we should be talking to.

Laptop offered with Windows 2000.
Ring **01727 852 657** to claim it.

St Albans District Council are giving away **crystal hanging files 29cm width**. They have hundreds which will otherwise be thrown away.
