

Connect St Albans

What will team building do for you?

It will:

- provide affordable professional and personal development opportunities for your staff.
- promote positive community relations with new and existing markets.
- increase staff satisfaction, motivation and retention.

How can Connect St Albans help?

For a small arrangement fee, Connect St Albans will identify and liaise with local charities to secure the most appropriate placement for your team. We offer support and guidance to the host charity and promise to publicise your achievement.
